Offering a range of products that carry to the highest mark of industry competitors, and pairing it with a unique relationship marketing business model, has evoked Global recognition.

Bob Reina, Founder & CEO, is confident that whether for personal or business use, each of Talk Fusion's products will deliver incredible results.

Talk Fusion's worldwide platform of Video Communication Products hails at the top of some of the world's foremost brands; such as, AOL, Yahoo, and Viacom. Currently, Talk Fusion is ranked as the 8th largest online content provider and growing.

They are registered with, and approved by over 1.8 billion ISPs worldwide, and better yet, Talk Fusion has a mind-blowing email deliverability rate of over 99%! Talk Fusion owns and develops all of their own products and currently offers 8 cutting-edge Video Communication Products including:

Video Email, Fusion Wall, Video Share, Video Blog, E-Subscription Form, Video Auto Responders and launching globally in the coming weeks, Video Conferencing & Live Broadcasting.

Talk Fusion has built and branded a product base designed for a Global audience, all from a Relationship Marketing touch point. Bob Reina is both a pioneer in communications, and a committed advocate to many charitable causes. Subscribing to the adage that, "with success comes greater responsibility," Bob Reina is a firm believer in giving back.

As he continues to lead the charge in online video and offers a fun fresh new way to communicate to a personal or business-based audience, he continues his mission to help various charitable groups.

Talk Fusion not only opens the door of Opportunity for a home-based business, but also gives vast earning potential. Talk Fusion offers the World's First & Only Instant Pay Compensation Plan!
